10/14/21

**Baby Doll Circle Time®
Strengthening Attachment,
Attunement & Social Play with
Infants/Toddlers**

It can be hard to find the one-on-one time necessary to create meaningful relationships in a childcare setting. Yet research shows optimal child development is dependent on healthy relationships with adults. Come learn how Baby Doll Circle Time® can make that possible as children relive moments with you while delighting in circle time with their baby dolls.

10/19/21

**Leading From Within: Fostering
Leadership in School-Age Professionals**

The goal of this training is to assist after school providers with gaining leadership skills through fun, interactive activities that will help participants become informed, create a plan, and prepare to lead! Participants will be introduced to knowledge and strategies to increase leadership skills in themselves and the children they serve.

10/21/21

**Lesson Planning: Your Guide Map for the
Classroom Day!**

Lesson Planning is your guide map for the day! It helps the teacher create structure and security in the classroom environment and provides meaningful learning experiences for the children. Come learn how to practically and purposely plan activities that meet the needs of your children based on the Creative Curriculum®. Participants will learn how to create lesson plans that align with NC FELDS and target developmentally appropriate practice.

10/25/21

**Show Me Your Files!
Monitoring Staff & Child Files for
Successful Program Management**

Staying organized with record keeping in child care is critical to having a successful program. Come learn strategies to develop your own system of auditing files that will create a stress free work environment, support children and staff, and allow for successful licensing visits.

(Max # of Participants - 25)

10/28/21

Pediatric CPR/First AID

Participants in this workshop will earn Red Cross certification in Infant and Child CPR as well as training on the use of AEDs along with First Aid training. Both are valid for two years.

(Max # of Participants - 16)

11/16/21

**Ready, Set, Relationship: Creating a
School Family**

Based on the popular Conscious Discipline methodology, come learn how to create a successful “school family” climate within your classroom or school. This fundamental shift in classroom management will help create an environment based on connections and intrinsic motivation. This training will teach you how to implement new classroom strategies through routines, rituals and structures by leaving behind coercion, fear, and external rewards.

(Max # of Participants - 25)

11/18/21

Causes of Misbehavior

Why do some children come to depend on challenging behaviors while others discover better, more effective ways to get what they want? Generally, children use negative behavior when they lack the skills that would help them meet their needs. Teachers who take time to assess the reason for misbehavior are better able to teach children new social-emotional skills. This session focuses on the common reasons that children misbehave, a crucial first step in determining how to prevent/reduce challenging behaviors.

11/22/21

Boogers, Snot & Vomit...Oh My!

Participants will learn the importance of recognizing and responding to illness and disease. They will understand how diseases are spread and become familiar with common signs and symptoms children develop with infectious diseases, as well as, which ones are likely to be contagious.

(Max # of Participants - 25)

11/30/21

Medication Administration

The number of children requiring medication to treat illness or to accommodate special health care needs such as epilepsy, diabetes, attention deficit hyperactivity disorder and asthma is increasing. The topic of medication administration is very serious and it is essential for those giving medication to be knowledgeable about how to properly give them to children in their care.

(Max # of Participants - 25)

12/2/21

ECERS-R

Do you want to be ECERS-R ready every day of the year? Tired of feeling anxious when assessment time arrives? Come be a part of this workshop and learn how you can have a successful Early Childhood Environment Rating Scale Assessment to provide high quality care year-round to the children in your classroom.

(Max # of Participants - 15)

12/13/21

**Do You Have Your Cootie Shot?
Understanding & Monitoring
Immunization Records in Child Care**

Children receive many immunizations during their first five years of life. What are they? What do they protect them against? How do I fill out my yearly immunization report? These questions and more will be answered during this trainings allowing providers to gain a better understanding on immunizations. Providers will also be able to better monitor their children's immunizations and determine if any of their children are at risk for being under immunized or placing others at risk.

(Max # of Participants - 25)

12/16/21

It's SIDS

This workshop addresses safe sleep practices and ways to reduce the risk of SIDS; including information on the NC Law regarding safe sleep practices in child care programs. This training meets the licensing requirement for training on SIDS.

(Max # of Participants - 25)

12/28/21

Fire Safety

Participants will learn strategies for prevention of fires, as well as, how to keep children and staff safe in the event of a fire in a child care facility. This workshop meets the requirement for annual fire safety training .

(Max # of Participants - 35)

RCPC's Early Education Services Workshop Registration Policies

Pre-registration by the published deadline is required for all Early Education Services (EES) workshops whether there is a fee or not. We suggest that you call our office to ensure that enough spaces are available in the workshop that you would like to attend prior to sending payment. **Spots cannot be reserved without payment. Therefore, your registration is not confirmed until payment is received.** There are several options for registering for workshops:

- Call Cynthia Langston at 342-9676 ext. 201 to pay with a credit card.
- Fax in the registration form with credit card payment information to 342-9962.
- Due to COVID, payment of either cash, check, or money order may be left in the drop box by the front door. Our office address is 7572 NC Hwy 87, Reidsville, NC. RCPC is not able to keep cash on hand so you must provide correct change when cash is used to pay for workshops.
- Mail this registration form along with check, money order, or credit card payment information to:

RCPC

Attn: Workshop Registration

P. O. Box 325

Wentworth, NC 27375

Returned Checks - In the event a check is returned for insufficient funds, RCPC will charge a return-check fee based on the fee charged to RCPC by the bank. This fee and the check amount must then be paid in cash or with a money order. No further checks will be accepted from the individual or business until the charges have cleared.

Registration Deadlines - Training registration deadlines are one week prior to the workshop unless otherwise noted. Payment must be received by 5:00 pm on the deadline. Registrations will not be accepted after the deadline. The minimum number of participants required to hold a workshop is typically 1/2 of the maximum capacity. If registration does not meet this requirement by the deadline, the workshop may be cancelled and credit for a future workshop will be issued to those registered.

Training Credit Vouchers – If using a training credit voucher, the original voucher must be presented at the time of registration. Vouchers can be hand delivered or mailed to RCPC. Faxed copies of vouchers cannot be accepted. Vouchers will not be accepted after their expiration date. Facilities are welcome to use the voucher towards any staff members' registration.

Waiting List - If a workshop is full prior to the registration deadline, a waiting list will be created. If cancellations are made, we will contact individuals on the waiting list in the order their registrations were received to offer a slot in the workshop. Anyone enrolled in a workshop from the waiting list will have 24 hours to pay the registration fee to confirm their space.

Registration Cancellations - Individuals who are registered for workshops and need to cancel their registration must call our office by 12:00 pm on the day of the training in order to receive a credit for future workshops. No refunds will be given.

Attendance – Participants attending face to face workshops will be required to wear facemasks per DCDEE guidance. Social distancing will be implemented as well during workshops. Upon sign-in, participants will be asked to answer basic COVID screening questions. Other COVID safety protocols may be incorporated if deemed necessary by RCPC staff.

Late Arrivals – Participants arriving more than 15 minutes late or leaving more than 15 minutes early will not be given credit. This applies for both Face to Face and Virtual workshops. Your active participation in the LIVE Zoom sessions will be required. Plan to log on a few minutes prior to the workshop's start time to allow time for participant check-in.

Materials Given - On occasion, professional resources or classroom materials may be given to participants as door prizes or as a part of participation in the session. It is the perspective of the Early Education Services (EES) that the materials should belong to the person or organization that paid the registration fee. In the event that the facility paid the fee, the materials should be made readily available for use by the staff person(s) who attended the session.

Certificates - Always keep a copy of your certificates for your own records in addition to giving one to your employer. There will be a \$5 fee for RCPC staff to provide a replacement certificate for trainings attended within the last year only.

Inclement Weather – If Rockingham County Schools are closed due to inclement weather on the same day that a workshop is scheduled, the workshop will be postponed and rescheduled later.
